Gift Possibilities

- **A Bequest**—the simplest of planned gifts. A direction in your will or trust for a gift to AVCCC. This can be a specific amount or a percentage of what remains after providing for your heirs.
- **Life Insurance**—name AVCCC as an owner or beneficiary of the policy.
- **A Life-Estate Agreement**—transfer title of a residence or other property to AVCCC while retaining use of the real estate for life.
- **Gift Annuity**—a gift of appreciated stock or other property, for which you or other beneficiaries received fixed annual payments. Payment is based on the age of the beneficiaries at the time of the gift. In general, the donor receives an income tax deduction now and avoids capital gains tax on the sale of the property.
- **Charitable Remainder Trust**—a gift paying income to you or your named beneficiaries.
- **Retirement Plan Assets**—name AVCCC as a beneficiary of an IRA 401 (k), 403 (b) profit-sharing or other retirement plan. The donor may receive an income-tax deduction now and avoid estate taxes later.
- **Contingency Planning**— for those who have significant estate commitments for family or other reasons may consider a “contingent bequest” that would address your AVCCC priority should all other beneficiaries pre-decease.
